You have been bought a gift that supports Kisiizi Hospital

Kisiizi is a not for profit faith based hospital situated in a remote corner of SW Uganda, providing comprehensive health services to some of the world's poorest people. In the course of a typical year, Kisiizi Hospital staff see and treat 35,000 outpatients, admit 9,000 in-patients, operate on 3,800 cases and deliver 2,150 babies.

User fees are kept low to enable poor people to attend and no-one is ever turned away. A Good Samaritan fund helps support the poorest patients.

Your gift will help fund the salaries of essential hospital staff:

£5 could pay for a nurse or midwife for a day,

£10 could fund a doctor for a day, or pay for drugs for a mental health patient for a month,

£30 to the Good Samaritan Fund could help pay for an operation on a child or a caesarean section.
